

Frontier Designated Areas and American Indian/Alaskan Native/ Native Hawaiian Land 2010

Revised: June 26, 2012

Notes: Instead of Counties, California uses Medical Service Study Areas, Hawaii uses sub-county areas, and Arizona uses RUCAs; state offices of rural health designated frontier areas in 2012 using US Census data from 2010; scale bar is correct for all 50 states; Native Lands from US Census Bureau 2010
